In this highly-anticipated sequel to *Believing In Horses*, strong-willed protagonist Sadie Navarro faces new challenges with both horses and people. Filled with action, intrigue, and heart, this young adult novel delivers an unforgettable story about the power of finding strength through experience and life.

Sadie Navarro worries daily about her father serving in Afghanistan. She turns to her love of horses to distract from her problems in her thirteenth year. Sadie commits to showing at the largest local horse shows and volunteering for therapeutic riding programs. She looks forward to her brand new pursuits.

That is, until one of the therapy programs provides unexpected challenges.

And then her inexperienced horse and an unwelcome show ring rival disrupt her first horse show.

Sadie wants to make her father proud. She wants to help others. But where will she find the courage to overcome her fears?

Sensitive, thoughtful, relevant, and moving, *Believing In Horses, Too* is award-winning author Valerie Ormond's second insightful book exploring military family life and challenges faced by many of today's youth.
