

[From the Facilitator of the American Horse Publications Book Panel, 2012]

Everyone--I shared this tidbit with Lisa [Wysocky] at Killer Nashville, but I wanted to let you all know about results from the attendees' survey about AHP in Williamsburg. Our book publishing panel was rated at 4.76 out of a possible 5.00, which was the highest rating of any of the sessions. Thanks, again, for taking time to share your expertise. Your efforts obviously were appreciated!

I hope to have something book-related on the program for Colorado Springs in June 2013, so let me know if you have any ideas. We'll be looking at topics during our board meeting in October.

Take care.
